

# << PALIACATES BANDANNAS >>

Pocas cosas tendrán tan continua popularidad como el paliacate. Distintos pueblos han hecho de este humilde cuadro de tela estampada, parte de su cultura. Dicen que cuenta con 1,000 usos distintos; sin embargo, el verdadero número de usos del paliacate es solamente limitado por la mente humana. Siempre habrá por lo menos una manera más de poner a trabajar al paliacate, pues tiene la libertad de funcionar de acuerdo a las necesidades de cada persona a la que sirve.

Few things will ever have the enduring popularity of the bandanna. Different people have made of this humble square of printed cloth part of their culture. They say it has 1,000 different uses; nevertheless, the true number of uses is only limited by the human mind. There will always be at least one more way to put the bandanna to work, because it has the freedom to function as needed by each person it serves.
